

WE GATHER THE BOUNTY OF THE LAND, THE HARVEST FROM THE SEA,
COMBINING SCIENCE, TECHNOLOGY, AND DEDICATED PEOPLE.
WE STRIVE TO PRODUCE THE WORLD'S FINEST EDIBLE OIL PRODUCTS THAT
ARE NOT ONLY AT THE HEART OF NEW ZEALAND'S DELICIOUS FOODS BUT ARE
ALSO MAKING A HEALTHY CONTRIBUTION TO THE GLOBAL FOOD INDUSTRY.

 **BAKELS**
Edible Oils

A CAREFULLY SELECTED
TREASURE TROVE OF
THE WORLD'S FINEST
RAW MATERIALS

At Bakels Edible Oils we really do gather the bounty of the land and harvest from the sea. It's our years of experience in assessing these raw materials for best quality, consistency of standards and continuity of supply that allow us to promise our customers the same. As New Zealand's leading supplier of edible oils we have set the highest possible standards, we select the proven best and are confident we deliver the best to you.

WELCOME TO
BAKELS EDIBLE OILS

*Welcome to
Bakels Edible Oils,
an International Company
strategically located in
Mount Maunganui,
New Zealand's largest
export port.*

Significantly, our greatest strength is that we have a strong desire to meet our customers needs in a prompt and efficient manner. Bakels Edible Oils have developed a dedicated, professional team of employees who have worked to provide the company with a proven reputation for professionalism in all aspects of its business.

Our future growth is dependent on working with our customers and this continues to be our main company focus.

- Mark Caddigan
Managing Director

WELCOME TO BAKELS EDIBLE OILS

OUR

CUSTOMISED
TECHNOLOGY

Bakels Edible Oils unique strengths in the international food industry go far beyond the Certifications and Licences we proudly hold. It's the confidence we have in our ability to deliver trustworthy service, technical excellence and above all, our skilled personnel whose in depth knowledge and experience are combined with a drive to innovate, and constantly seek new solutions that add special value for all our clients.

ISO 9001-2000 quality assured / NZFSA Dairy Licenced / NZFSA Animal Products Licenced / HALAL and KOSHER Certification (as required)

INDUSTRIAL FOOD INGREDIENTS

At Bakels Edible Oils we know that our clients rely on us to produce the finest quality ingredients possible so that they in turn can manufacture delicious foods to tempt a nation.

Just as a simple bearing plays a vital role in the performance of a super car, we know that our role in your business is equally important. We take real pride in our technology that enables us to produce to exacting specifications, and to consistently deliver to those often unique formulae, on time and to where you direct.

Producing ingredients to exacting standards is of course only part of what we do, for as a trusted extension of your business we are able to accurately forecast quantities and establish critical pathways to ensure continuity of supply to you.

Bakels Edible Oils has process capability to fulfill the delivery of quality ingredients to the Industrial Food Market whether the product be required by the carton or by bulk tanker. Bakels Edible Oils will partner with your business to assist you to create delicious food products.

FOODSERVICE

From bustling cities to remote towns, every community is served by the food industry, whether it is a takeaway, a bread shop or sophisticated restaurant. They all know they can rely on Bakels Edible Oils to deliver the goods.

FOODSERVICE

FOODSERVICE PRODUCTS

FRYING MEDIUMS

Product	Pack Size	Melt Point	Saturated Fat per 100g	Recommended Use
VEGETABLE SHORTENING				
Pioneer	20Kg	45°C	50g	Pioneer is a double refined vegetable shortening especially designed to compliment the flavour of the food being fried. Excellent fry life can be expected from this product.
BEEF / VEGE BLENDED SHORTENING				
Fryday	20Kg	40°C	46g	A premium quality deep-frying shortening containing a blend of fully refined, low melting point beef fat and vegetable oil.
BEEF SHORTENING				
Chef Royale	20Kg	40°C	46g	A premium frying shortening. Chef Royale is formulated to be free draining with minimal fat absorption. Excellent frying life can be expected from this product.
Super Chef	20Kg	45°C	48g	A multi-purpose frying shortening formulated for great flavour and extended frying life.

LIQUID OILS

Product	Pack Size	Saturated Fat per 100g	Recommended Use
Alfa One Rice Bran Oil	15L & 4L	23g	Alfa One Rice Bran Oil is cholesterol free and has a high level of mono-unsaturated fatty acids including essential Omega-3. High in natural antioxidants including Vitamin E and Gamma Oryzanol which has been shown to reduce cholesterol absorption.
Chefs Gold Cottonseed	15L	27g	A fully refined liquid vegetable oil. Especially suited for all deep frying, this oil also drains well.
Canola Bag in Box	15L	7g	A fully refined blend of vegetable oils designed as a multi-purpose frying oil with low saturated fat content.
Blended Canola	15L	11g	A blend of Canola Oil and other vegetable oils designed to minimise saturated fat content and lengthen frying life of oil.

CATERING SPREADS / MARGARINES

Product	Pack Size	Recommended Use
Chefs Pride Spread (500g)	24 x 500g	Chefs Pride used straight from the fridge spreads smoothly with an excellent buttery taste. Chefs Pride is a high quality, low fat table spread which is also suitable for greasing hot plates and baking tins.
Chefs Pride Spread (4Kg)	3 x 4Kg	
Chefs Pride Spread (20Kg)	1 x 20Kg	
Chefs Pride Clarified Butter	3 x 4Kg	Chefs Pride Clarified Butter is perfect for sauteeing vegetables, poultry and meat. It can also be used for basting grilled food, baking and pan frying your favourite seafood dishes.
Garlic and Herb Spread (1Kg)	12 x 1Kg	Bakels Garlic and Herb Spread incorporates natural garlic and herbs and is the ideal compliment to bread or fries.

CONDIMENTS

Product	Pack Size	Recommended Use
Chefs Pride Mayonnaise (5L)	4 x 5L	Chefs Pride Mayonnaise is smooth and creamy with a little extra zing, ideal for any salad or can be used as a spread option.
Chefs Pride Tartare (5L)	4 x 5L	Chefs Pride Tartare is a rich, tangy, creamy sauce which can be used to enhance the flavour of your favourite fish meal. Serve with a slice of lemon for extra zest.
